AND

03st to 15th of August

### INCLUDED

Food, accommodation, domestic travels in Iceland, entrance to the Green lagoon, whale watching tour, horse riding, kayaking, photography workshops and leisure activities.

### NOT INCLUDED

International travels, personal insurance.

### INTRODUCTION

During Iceland Secrets Summer camps our team will offer international teenagers an unforgettable two weeks experience with activities related to nature and culture.

The summer camps peculiarity is based on human quality service that our participants will enjoy by the hands of Socio-Cultural and environmental coordinators. They will learn about Icelandic nature and culture while getting basic knowledge of landscape photography.

They will be led by intercultural process learning and all the program is in English language.

During 13 days together our teenagers will gain an incredible life changing experience which will help them in many ways after the Iceland Secrets experience. English- Photos- Outdoor activities such as whale watching, horseback riding, hiking, fishing, City tours in the capital, Taking a bath in the Green lagoon in the North. Flora and Fauna.
